‘Temporary’ Membership

A charge of £1 per day^a (with a maximum of £4 for trips of ≥ 4 days) is made to all non-members participating in Club activities, in respect of temporary membership; this payment is incorporated in all the relevant charges set out below.

Club Trips

Members	using Club boat (and/or paddles) ^b	£3 per day ^a	[max. £12 for a trip ≥ 4 days ^a]
Members	using own equipment	[no charge]	
Non-members	using Club boat (and/or paddles) ^b	£6 per day ^a	[max £24 for a trip ≥ 4 days ^a]
Non-members	using own equipment	£1 per day ^a	[max. £4 for a trip ≥ 4 days ^a]

Notes:

1. Newcomers are offered their first Club trip (excluding weekly Thames/pool sessions) free of hire charges.
2. For slalom events only, the charge (as above) is reduced to £2 per day¹ (members)/£4 per day¹ (non-members); in the event of boats being shared, this charge is payable “per person” rather than “per boat”.

^a Throughout, “day” means a day when an individual actually paddles (whether for part or all of the day).

^b “Private” use of Club equipment is charged at the same rates as above.

Thames evening meetings

Members	using Club boat (and/or paddles)	£1
Members	using own equipment	[no charge]
Non-members	using Club boat (and/or paddles)	£4
Non-members	using own equipment	£1

Note: The nominated leader and 2 ilc at Thames evening meetings do not have to pay.

Pool meetings

Members	£4
Non-members	£5

Note: Everyone actually using the pool pays. Only people who remain wholly on the poolside are not required to pay.

Boat storage at Chiswick

£20 per boat per year.

Notes:

1. Storage is only available to Ordinary, Associate or Family members of the Club - non-members may only store boats which are declared (and accepted by the Club) as available for use by the Club (as below)
2. The charge is a flat rate, which applies for the Club’s financial year (1 Jan-31 Dec), regardless of how often or for how long a boat is stored during the year (ie no pro rata charges). Charges would normally be billed at the beginning of the financial year, or when a newcomer first stored their boat(s).
3. The Club does not insure private property stored at Chiswick (it is the owner’s responsibility to make arrangements as appropriate), and does not accept liability for loss of, or damage to, such property.
4. Charges may be waived, at the discretion of the Club’s officers (subject to ratification by the Committee), in respect of a boat which is notified to the Club as being available for Club use, and is expected in practice to be so used.
5. The Club’s officers (subject to ratification by the Committee) may, at their discretion, waive charges for short-term, purely temporary storage.

Newsletters

Although not currently being levied (in the absence of regular newsletters), the Club reserves the right to charge £5 per half calendar year to non-members who wish to receive the newsletter on an ongoing basis. This charge is deductible from the membership subscription due, if they join the Club during the same quarter-year.

The Club aims to publish newsletters approximately monthly (but does not undertake to do so). Summary details of the calendar are available on the Club’s web site (<http://www.civilservicecanoecub.org.uk>), regularly updated.

Charges effective from 22 March 2011 (except for subscriptions and boat storage for 2011 already paid for before that date).
